*Where's the bucket?*

*Where's Gloria Creep?*

She's in the same room with the bucket, and wears a blue dress.

*Where's Laurinda?*

She's also in the same room, but dressed like the old maid servant.

*Where's the Mona Lisa?*

On the SE side of the mansion is an upstairs office behind a wooden double door. Look for a switch behind the north bookcase, which opens a secret door.
